"Winter Reading Advisory" winter reading program for adults will be January 1 to February 28. The Friends of the Library will be enhancing the weekly prizes.

The community Christmas parade on Saturday, November 24, was a success. I wasn't able to attend but Deb made sure all the library's stuff got there.

Now that the cold weather is here to stay, we have been dealing with a person who has extreme body odor. This individual also trashes the bathroom and snores while sleeping. The area this person camps out in smells all the time and other patrons are now starting to notice and comment. I have tried being nice but the situation is now unbearable. I need something in the policies that allows me to tell this person to leave for these specific reasons and call the police when they don't.
