Library Public Posting Policy (By-Laws Article XV)

Public bulletin board space and limited window space is provided as a community service at the Three Oaks Township Public Library facilities for postings of events by community groups and organizations. Bulletin Board space and limited window space is primarily for community groups and individuals within the Library's service areas or national organizations with local affiliations. The Library does not evaluate the beliefs or purposes of the sponsoring organizations or individuals, and the posting of information does not imply endorsement by the Library of any group, their ideas or programs. Any material to be posted must be presented and approved by the Library Director. The Library will continually evaluate the available bulletin board space and limited window space and may limit the size and duration time of items submitted for posting. The Three Oaks Township Public Library reserves the right not to post any items which in the Library's judgment violate State or Federal laws.
