Here are a couple of big community announcements from your Three Oaks Township Public Library!

Starting Thursday, May 7, the Three Oaks Township Public Library will be open later to better serve our community. New evening hours extend service until 8:00 p.m., giving you more time to browse, study, and use library resources. We look forward to seeing you! These extended hours will be offered on a trial basis through the summer as we gauge community interest—so stop by in the evening and let us know what you think.

Do you have a community event or activity coming up? We'd love to help spread the word! Our library newsletter features local happenings that bring people together—workshops, fundraisers, clubs, performances, and more. Submissions are welcome from non-profit organizations and community groups. If you'd like your event considered for an upcoming issue, please send the details to Cheryl Kersey at director@threeoakslibrary.org

We're excited to help connect our community!

If you ordered a FREE tree from Neighborhood Forest in January, February, or March, 2026, they have been delivered to the library and are ready to be picked up!
