FOUNDED IN 1859 – 166 YEARS OF SERVICE!

Have you checked out our Vox IR collection? We have 27 Vox IR books that combine IR (immersive reality) and AR (augmented reality) technology. This new tech, combined with traditional children's books, allows everyone to experience books like never before.

Download the app to your smart phone, strap the IR goggles onto your phone, and get ready to take a closer look at the razor-sharp teeth of the Great White Shark, or enter King Tut's ancient tomb. You can dive into a journey under the ocean and learn the history of the Titanic or experience the science behind a volcanic eruption. Try walking the Great Wall of China or even walk in space!

This book collection is located in our Children's Room.

This is the last week the Peeps Dioramas will be on display in the library. Make sure you come in and see how your favorite fared. And it's not too early to start planning your entry for next year's contest!

The Three Oaks Township Public Library's fiscal year ended March 31, 2025.
We ran the numbers and our stats are pretty impressive!
If you don't already have a library card – why not?
Come on in and see what your library can do for you!
