What's Happening at the library...

The library's Site and Parking Lot Improvement Project is underway! This project has been several years in the making and we are very excited about the changes planned. Make sure you stop in the library to see the full-color plans. During the project you won't be able to use our parking lot and back entrance but there will still be plenty of parking available: across Elm Street in the municipal lot next to Vicker's Theater, right on Elm Street in front of the library, on the south side of the library building next to the train tracks, or even in the municipal lot directly behind the library building. If you are unable to navigate the three steps at the front entrance of the library, just give us a call at 756-5621 before you arrive. We're always happy to bring your items out to you! The entire job is expected to be finished by June 10 so the inconvenience for everyone will be short-lived.

Beginning Tuesday, April 6, in-person Story Time will be offered each Tuesday, 10:30 – 11:00 and 4:00 – 4:30. Space is limited to 25 people, social distancing will be enforced and when weather permits, we will be outside. We will be having some very special guests as readers for Story Time so be sure to stay tuned for updates.

The Knitting/Crocheting Circle is meeting every Wednesday, 3:30 – 4:45. Everyone is invited to bring a project they are working on and sit and visit, socially distanced, of course.

This month our Take and Make bags for children feature a cute bunny craft, the book *"Give It"* by Cinders McLeod provided by MI Financial Wellness (<http://www.mifinancialwellness.org/>) and some special swag from Teachers Credit Union. The theme of our Take and Make bags for teens through adults is all about gardening. As always, all Take and Make bags are available on a first come, first served, basis.

Our adult "Winter Reading Advisory!" Program recently ended and our Library Friends group graciously provided gift certificates to our winners. We have great friends and are so thankful for them!

We would love to see you at the library and masks are still required. Also, please remember to social distance while you're in the library and do not come to the library if you feel sick or have recently been sick.
