Thank you for your patience as we had some ceiling repairs completed last week. This week we will begin having the windows on the second floor of the library replaced. We do not anticipate this affecting library services, although it may be loud and/or cold in the building. As always we are happy to provide curbside service, just give us a call at 756-5621.

The total solar eclipse will happen tomorrow, April 8, 2024. The library has no more eclipse glasses to pass out. This website has directions for using a box to build a safe way to view the eclipse: [https://static.nsta.org/extras/solarscience/chapter3/3.10P\\_inholeProjectionInABox.pdf](https://static.nsta.org/extras/solarscience/chapter3/3.10P_inholeProjectionInABox.pdf)
