## What's Happening at the library....

We are thrilled to now offer tutor.com to our patrons for FREE!

This online service offers one-on-one tutoring and career help. K-12 students and college students can get help with homework, studying, projects, essay writing and test prep in every subject, including algebra, statistics, chemistry, physics, social studies and English. Adults can get help with job searches, resumes, academic support and test prep practice for the GED and HiSET exams, the ASVAB military entrance exam, and the following grad school tests: GRE, GMAT, LSAT, and MCAT.

All sessions are online with professional academic or career tutors. Patrons can work with an online tutor 3:00 p.m. to 10:00 p.m. by simply going to [www.tutor.com/swmichigan/](http://www.tutor.com/swmichigan/) and logging in with your library card. Please let us know if you need any help accessing this wonderful resource!

Are you familiar with [www.MeL.org](http://www.MeL.org)? MeL is Michigan's eLibrary. This online platform offers an abundance of e-resources for everyone. Also, through MeLCat we can borrow over 47 million items – books, movies, music, and more – from libraries all over Michigan and have them delivered to Three Oaks Library, usually within 7-10 days. Just give us a call at 756-5621 and if we don't have what you are looking for, we will get it for you.
