We wrapped up Summer Reading August 1 – and what a summer it was! We had 30 children pick up their Bridging Workbooks, begin working in them and check in at the library on Tuesdays. Two children completed all SIXTY DAYS’ worth of work! All together, we completed 565 days’ worth of work this summer! Seven students checked in every single week! How incredible is that?

We had visits with the Sarett Nature Center and the Critchlow Alligator Sanctuary and we definitely plan to invite them both back next year. We also had a different Disney Classic movie we watched each Monday.

Below are some pictures from Summer Reading and one is of the pixel art we worked on collaboratively all summer, adding stickers as we completed pages. Can you tell what it says?!

All of our Grand Prize winners have been notified.

Thank you for allowing us to be part of your summer. Keep reading!
