Adventure
awaits
at Three
Oaks Library!

We have 27 new Vox IR books, combining IR (immersive reality) and AR (augmented reality) technology.

This new tech, combined with traditional children's books, allows everyone to experience books like never before.

Download the app to your smart phone, strap the IR goggles onto your phone, and get ready to take a closer look at the razor-sharp teeth of the Great White Shark, or enter King Tut's ancient tomb.

You can dive into a journey under the ocean and learn the history of the Titanic or experience the science behind a volcanic eruption.

You can even walk in space!

This book collection is located in our Children's Room.
