A Word from the Director:

It may be cold outside, but come inside and you will discover we are busy scheduling programs and adding new books, magazines and DVDs to the library's collection.

Do you know we have over 2,000 DVD titles, including over 200 TV series? We also boast over 80 print magazine subscriptions, over 23,000 print books and access to over 10,000 ebooks through Overdrive. You can download five FREE songs each week with your library card through Freegal. Make sure to stop in and check out what we offer – we would love to see you!

Our Adult Winter Reading Olympics are in full swing. Until March 10 you can receive one entry for each book you read (audio books count, too!). On Monday, March 12 we will hold three drawings: one for a Kindle Fire 7 and two each for a \$20 gift certificate to Patellie's Restaurant in Three Oaks.

Reading to your child is one of the most powerful ways to boost his or her brain power. The simple and enjoyable act of sharing books helps your child learn pre-reading skills such as understanding the sounds letters make, developing a bigger vocabulary, and building background knowledge - all important skills that help prepare your child for learning to read and entering kindergarten.

Three Oaks Township Public Library's 1,000 Books Before Kindergarten program is a fun and free way to start your child on the path to success! Any child from birth to five years of age can participate. Just stop in the library to register and pick up your welcome bag of program materials. One thousand books may seem like a lot, but if you read just one book a night, you'll meet your goal in less than three years. If you read three books a night, you could reach your goal in just one year! Good luck on your 1,000 Books Journey!
